TROOP SUPPLEMENTARY MONEY-EARNING STANDARDS

The following are applicable to money-earning projects outside of troop dues and Council sponsored product sales:

1. Troops are expected to submit an application to hold a money-earning project and receive written permission from the Membership Specialist. The activity for which the troop/group is raising money is Council approved.
2. No supplementary fund-raising projects are permitted during United Way Campaigns (August 15 - November 15) or during the Council-sponsored product sales.
3. Only Council-sponsored commercial products (cookies, fall product) may be sold door-to-door.
4. Parents/guardians are expected to give written permission for their daughter(s) to participate in any fund-raising activity.
5. Local ordinances are expected to be observed.
6. Troops do not participate in solicitation of funds by any means of raffles, bingo, poker, games of chance, or events such as walk-a-thons.
7. Girls or adults may not collect funds for other non-profit organizations as a part of a Girl Scout activity or while in their Girl Scout uniforms. This includes such projects as Hunger Walk, Walk for Life, etc.

DAISY GIRL SCOUTS do not participate in troop money-earning activities, may not sell products, and are not involved in handling any money. Troop Leaders may contact parents of girls for donations to the troop.

BROWNIE GIRL SCOUTS sell cookies and fall products and, with permission, do one additional fund-raising activity. Fund-raising cannot include the sale of a product, but rather should provide a service such as a car wash, baby-sitting, gift-wrapping, etc.

JUNIOR GIRL SCOUTS sell cookies and fall products and, with permission, do one additional fund raising activity per year. Fund-raising cannot include the sale of a product but rather should provide a service such as a car wash, baby-sitting, gift-wrapping, etc.

CADETTE AND SENIOR TROOPS/GROUPS sell cookies and fall products and, with permission, may raise funds with additional fund raisers and may conduct sales of non-Girl Scout products.
