Wearable Comfort Evaluation

Complete the following evaluation upon turning in with your finished project. If more space is needed for a question or additional comments write on back.

1) What object did you use in your piece? How does it bring you comfort?

2) Where did you intend to wear your piece? Why?

3) Does your finished piece comfort you? (circle one) Yes or No

4) Do you think others will find your piece comforting if they wore it? Why or why not? (circle one) Yes or No

5) If you were to give yourself a grade what would it be? A B C D E

Why? _____

craftsmanship (____/10 points)

+ concept/reasoning (____/15 points)

+ integration of object (____/15 points)

+ use of class time (____/5 points)

+ Sketchbook (____/5 points)

Total= ____/50

Grade: _____

Comments: _____
